Section 8 Frequently Asked Questions

How can I sign up for the Housing Choice Voucher Program (Section 8)?

Individuals and families can only apply for the Housing Choice Voucher Program when the waiting list opens.

YCH Section 8 waiting list is currently closed.
YCH is not accepting applications at this time.

Applications will be accepted online only on YCH's Website, www.YCHA.org from May 16th at 8:00 AM through May 26th at 5:00 PM at the latest. The Wait List may be closed earlier if a large number of applications are received in a shorter period of time.

Call (530) 662-5428 or log on to www.YCHA.org to apply.

When YCH accepts applications, applicants will be selected from the waiting list by a weighted preference system and their order on the waiting list. To receive assistance, the applicant's total household income must be at or below HUD's *Income Limits for Yolo County*. Information on YCH's Income Limits is available on www.YCHA.org FAQ's Section. Yolo County Housing is required by HUD to provide Vouchers only for extremely low-income and low-income families.

Note: 75% of all Vouchers issued by YCH must be for extremely low-income families.
